

Subject : Request for Extension on Assignment Submission

Dear Professor,

I hope you are doing well.

I am writing to request a short extension for the upcoming assignment submission. Over the past few days, I have been dealing with some unexpected personal circumstances that have affected my ability to complete the work to the standard I would like.

I understand the importance of meeting deadlines and have been making every effort to stay on track. However, I believe that a little extra time would allow me to properly review and improve my work before submitting it.

If possible, I would be grateful for an extension of a few days. I assure you that I am committed to completing the assignment as soon as possible.

Thank you for your understanding and consideration.

Sincerely,

Aditya Patel
